

# Entrepreneuers & Corporate Culture

## **Sunday 1 - 2:30 PM Increasing our Wealth Pillars with OPEN HOUSE**

Learn more about how OPEN HOUSE is offering support to BIPOC leaders of color in their entrepreneurship pursuits. Engage in a conversation with OPEN HOUSE founder Nagela Dales about pillars of wealth and sustainability in entrepreneurship.

## **Saturday 12 - 1:30 PM Micro Aggressions in Corporate America**

A conversation led by HTE Research Brett Calloway discussing the findings of her research. From 2020 -2021 Bryetta conducted reserch about Black women and microaggressions in the workplace. This conversation will offer participants an insight into her methodology and conclusions.

## **Open Viewing and Participation ALL DAY**

## **Burnt Out in the Workplace Games**

Come play the game every one in American culture has been waiting for. What contributes to burn out for people of color in American workplaces? What's the best meme you can come up with to describe the pain? Don't worry, we're going to laugh ourselves into liberation.
